

## Announcing the First American Title *Online Closing/Consummation Date Timing Calculator*

### **It's flexible.**

Calculate the mailing date based on consummation date or determine the earliest consummation date based on mailing date.

### **Calendar View.**

Dates are easier to understand when viewed as a calendar.

### **You can print or e-mail.**

Print or e-mail the timing calendar to clients.

### **Rescission dates.**

Rescission dates are also included to give you a full picture of your timelines on one calendar.

### **It's smart.**

The calculator knows what dates cannot be counted as delivery dates and rescission dates, taking the guesswork out of planning.
